**\*Responsive Call to Worship** (*Psalm 121, NIV*)

One: I lift up my eyes to the hills—  
where does my help come from?

**All: My help comes from the LORD,  
the Maker of heaven and earth.**

One: He will not let your foot slip—  
he who watches over you will not slumber;

**All: indeed, he who watches over Israel  
will neither slumber nor sleep.**

One: The LORD watches over you—  
the LORD is your shade at your right hand;

**All: the sun will not harm you by day,  
nor the moon by night.**

One: The LORD will keep you from all harm—  
he will watch over your life;

**All: the LORD will watch over your coming and going  
both now and forevermore.**

**\*Song** *Give Me Jesus*

**\*Unison Prayer** Brett Shoemaker

**Eternal God, who gave us birth, you are always more ready to  
hear than we are to pray. You know our needs before we ask,**

and our ignorance in asking. Show us now your grace, that as  
we face the mystery of death we may see the light of eternity.  
Speak to us once more your solemn message of life and of  
death. Help us to live as those who are prepared to die. And  
when our days here are ended, enable us to die as those who  
go forth to live, so that living or dying, our life may be in Jesus  
Christ our risen Lord. Amen.

**Prayers of the People & the Lord's Prayer** Brett Shoemaker

**Our Father, who art in heaven, hallowed be thy name.  
Thy kingdom come, thy will be done,  
on earth as it is in heaven.  
Give us this day our daily bread;  
and forgive us our debts as we forgive our debtors.  
And lead us not into temptation, but deliver us from evil.  
For thine is the kingdom, and the power, and the glory  
forever. Amen.**

## In Space and Time

*By Bill Kirk*

In our beginnings and our endings,  
We arrive and depart alone.  
Coming from forever,  
It is there we shall also return.

And, in between,  
With some level of good or bad fortune,  
We live our earthly lives for but an instant,  
More or less seeking the company and comfort of others  
Who, like us, are finding their way.

Some few may choose a solitary life;  
Yet others cannot bear the separation,  
Preferring instead to share with others  
The limitations of space and time in the here and now,  
While such things are counted and measured.

Might the full but brief span  
Of our earthly existence be merely  
A short incubation on a continuum,  
From Conception through  
Nascence,  
Awareness,  
Surrender?

How many others are still awaiting their shot—  
A cosmic chance to be expressed in human form,  
Physically apart from the true and eternal essence  
Of our forever “befores” and “afters”?

If we are thus gifted by life,

How will we contribute to our greater humanness?  
Will we choose to seek salvation along the way?  
And will we journey alone or in concert?
